

Download the MedCall App on Your Phone For Quick Access to a Physician

1. Download the app on the Apple Store (for I-phone users) or the Play Store (for Android users) by searching “MedCallWorkComp”

2. Once downloaded, open the app and complete the information on the following screen and click ‘Signup’

That is it! You now have quick access to a physician if you are injured and cannot make it to quick care easily.

You can even send images to physicians as well by enabling your camera. You must also enable your microphone on your phone to be able to speak.

Questions about MedCall? Contact Dan Smith at Acadia Insurance at dan.smith@acadia-ins.com or 207-874-1610.
